apan's First Cardinal-esignate to Visit Rome

TOKYO.—Japan's first Cardin--designate, Archbishop Peter atsuo Doi, will leave Tokyo arch 21 for Rome to attend a cret consistory of the Catholic hurch where he will be elevated Cardinal, it was disclosed re-ntly.

The consistory, at which Doi d the six other prelates will be itiated into the College of Car-nals, is slated for March 28 at e Vatican.

Doi's appointment to the high st was viewed here as a sign Pope John XXIII (Roman nu-erals)—recognition of Japan as e of the "frontiers for Catho-ism in Asia."

Christianity in general, and atholicism in particular, faces a ugh fight in the years ahead r expansion in this predomin-tly Buddhist nation.

Christianity was first intro-ced into Japan in 1549 by Fran-sco Xavier. But it was not until e beginning of the 20th cen-ry that Christianity got wide blic attention.

entence Young Karate xpert for Perry Death

TOKYO.—Prosecution authori-es asked last week that a 20-ar-old Japanese student be given five years in prison for e fatal beating of an American issionary here last November.

The student, Setsuji Mori, ad-tted attacking Prof. Charles Perry, last Nov. 25, at the pro-ssor's home on the campus of kyo's St. Paul's University. erry, of Canton, New York, was professor at the university.

Police said Perry died of a ce-bral hemorrhage caused by owerful axe-like "karate" chops ministered with the sides of e hands. Mori was skilled in ka-te.

The prosecution charged that ori and a companion attacked erry without provocation while der the influence of liquor.

Perry, who did not resist the tack, asked that his attackers ot be punished but only asked at they repent.

The repetition of that dying ish by the professor's wife and e fact that the youth was a inor at the time of the incident ere considered to have had bear-g on the prosecution's request r a light sentence.

Osaka Int'l Trade Fair Will Attract Canadian Firms

This year's Osaka International Trade Fair, April 9-26 in Osaka, Japan, will attract a greater number of Canadian businessmen than ever before, according to the Japan Trade Centre in Toronto.

Speacheading the visit of Can-adians to the Fair will be a group of 50 from the Vancouver Board of Trade who will combine trade and goodwill missions and also visit the Republic of China and Hong Kong. The Vancouver Board made a similar tour in 1954. The group will fly both ways by charter flight leaving early in April and returning May 9.

This is the fourth international trade fair to be held in Osaka and is expected to far surpass all others held so far in Japan. Judging from the exhibits of the 26 participating countries, a wide field of interests will be covered, with special emphasis on con-struction machinery. A highlight will be models of American and British atomic reactors.

Canada is not exhibiting this year but is expected to enter an exhibit at the annual fair next year when it is held in Tokyo.

Among the many exhibits from each nation will be special dis-plays of goods particularly attri-buted to their country, such as cheese from Holland, perfume and toilet goods from France, and watches from Switzerland.

No less than 5,000 foreign buyers are expected to attend the Fair, and many leading hotels have already been booked to capa-city. Many Western visitors will welcome the chance to stay in Japanese-style inns, enjoying their entertainment and delight-ful Japanese dishes. However, for those who prefer it, Western-style cooking is standard at hotels and on trains. Of great interest to visitors will be the sightseeing tours arranged by the Japan Travel Bureau.

The Osaka International Trade Fair will be an enjoyable and profitable "must" for Canadian businessmen. Those planning to visit the Fair, are invited to write or visit the Japan Trade Centre, 83 Yonge Street, Toronto, for any information they require. Special privilege passes for Fair visitors are available at the Trade Centre.

Find by Team Indicates Existence of "Snowman"

TOKYO.—A six-man Japanese team returned earlier this month from a Himalayan expedition, firmly convinced of the existence of the "abominable snowman."

Teizo Ogawa, leader of the team was unable to find new foot-steps of the snowmen because of an unusual scarcity of snow.

"But we have brought back a very valuable material, such as the scalp of a human skull that was treasured in a lamasery, bones of a throat, and human ex-crement and think that the snow-men really exist," Ogawa said.

Proceeds Given to History Project by TJCCA

"SPRING LEAP", a dance sponsored by the Toronto Chapter of the Japanese Canadian Citizens' Association raised money to be donated to National JCCA's History of Japanese Canadians project currently being authored by Ken Adachi. The proceeds being presented to History Treasurer Harry Fukushima, depicted second from left, by Toronto Chapter President Stan Hiraki, is viewed by some pretty local chapter executives. They are, from left to right, Joy Hiraki, Janet Fujiwara and Irene Matsushita. The affair was held at War Amputation's Auditorium last Saturday evening.

Intoxicated Youth Fatally Injures Issei Cyclist

CHATHAM.—A young Tilbury man has been charged with crim-inal negligence in connection with the city of Chatham's first traffic fatality of the year on March 14.

The charge was laid against Gerald Marchand, 19, on the in-struction of Crown Attorney Blake Ward.

Marchand had been in police custody since the accident that claimed the life of Kokichi Wa-kayama, 61, of Duke St.

Mr. Wakayama was riding his bicycle west on Park St. E., after leaving the George Wainright Co. Ltd., where he had been working overtime.

He was only a short distance from his home when tossed to the pavement, he was still alive when Arbour's Ambulance reached the scene.

Oxygen was administered en-route but Mr. Wakayama died minutes after he was admitted to St. Joseph's Hospital.

Death was attributed by Coro-ner C. C. White to a fracture at the base of the skull and severe crushing of the chest wall.

Marchand was held on a charge of driving while impaired by al-cohol. The charge against him was changed this morning after consultation with Mr. Ward.

Mr. Wakayama was a member of St. Andrew's United Church and a member of the Japanese Canadian Association. He had been an employee of the Wain-right Co. for 13 years.

Author Attacks Western-Born Japanese as Smug, Indifferent

By BILL HOSOKAWA

A recent Book-of-the-Month choice is a sensitive and readable volume entitled "Meeting With Japan." The author is Fosco Ma-raini, Italian scholar and linguist, one-time college lecturer in Japan and survivor of a Japanese con-centration camp.

Maraini views Japan with un-derstanding and good humor. He, perhaps, knows more about the Japanese than most of those born into that nation. But he doesn't like the Nisei, as witnessed in this passage:

". . . I noticed an obviously American woman, accompanied by an extremely smartly dressed Japanese; his hair was plastered down, he wore an elegant white suit, and his shoes were as shiny as blackbeetles; the couple were having trouble with a camera, and I went to their assistance.

"The woman was obviously im-mensely curious about the temple, the statues, the local customs, everything, and the conversation continued; my Japanese friends assisted in providing information. Meanwhile the smart Japanese looked on with an expression of blank indifference; we must obviously be artists, good-for-nothings, to take so much interest in a lot of old stuff about which he knew and cared nothing.

"The woman was on holiday at Nara from her work in an Ameri-can office in Tokyo; the gentle-man was a Nisei, a 'second gene-ration' Japanese American; he worked in Jane's office, and was acting as her interpreter and guide; his name was John.

"It is difficult to imagine any human being from whom an European feels more remote than a Nisei. Europeans and Japanese, if they succeed in reaching below the surface, get on very well in-deed; in spite of their profound differences, they are both pro-ducts of ancient complex civiliza-tions. Europeans and Americans superficially separated in a dif-ferent way, have a thousand ways of establishing links because of their common roots. But between Europeans and Nisei, there is not one abyss, but two; it is like try-ing to establish contact with a man from Mars.

"The Nisei has generally been taught to despise his Asian roots; on the other hand, all he has taken from the west is a two-dimensional duralumin, Chris-tianity, ultra-modernism, the cul-tivation of jazz as a sacred rite, a California veneer."

Fighting words, signor. We duralumin, jazz - worshipping veneered Nisei challenge you to learn as much about us as you know of the Japanese."

Japan's Birth Control Cause Teacher Surplus

TOKYO. — Japan's vigorous birth control movement in the early 1950's was seen today as the cause of a new problem—a sur-plus of teachers in the primary grades.

Gumma prefecture also was not hiring any new teachers.

Government officials offered one solution: since the baby "boom" of 1946-48 has caused overflowing classes at the junior high school level perhaps many schools could move up primary school teachers to the secondary level.

Some school officials said they would urge voluntary retirements.

Prospects for employment for graduate teachers was, on the whole, grim.

Betting Leads to Deaths

TOKYO.—Two families total-ling 11 persons were found dead, victims of what police described as separate mass murders and suicides.

Police said both resulted from the fathers trying to beat the odds at the races.

Laborer Eiji Maeda, 34, ap-parently lost so heavily at bicycle races that he could no longer sup-port his family. He is believed to have strangled his four child-ren, his wife and then killed him-self.

Auto mechanic Sukesaburo Ma-shiko, 42, and his family of three sons and wife were found dead in a gas-filled bedroom. Police said he had lost heavily at horse races.

Princess-Clerk Marriage Hailed by Japanese

By TED SHIMIZU

TOKYO.—The big wedding on arch 10th of tiny Princess Suga as the talk of the town.

The wedding of the saucy 21-ear-old Princess has generated enty of excitement among the apanese people, especially the ounger set.

It got more attention than the irth late last month of a new rince who one day is destined o rule over Japan's chrysanthe-um throne, the world's oldest. he prince was the child of rown Prince Akihito and his Cinderella" Princess Michiko.

Perhaps one of the reasons that e Princess's wedding got more ttention was because it was oser to the common man.

Her husband, 25-year-old Hisa-aga Shimazu, is a commoner— [illegible] month bank clerk.

By taking him as her husband the saucy young Princess [illegible] [illegible] ties with the Imperial amily herself.

During recent days newspapers, magazines, radio and television have devoted considerable space to the preparations for the wed-ding. The activities of the young couple have been detailed.

Scores of reports were assign-ed to "escort" the Princess almost everywhere she went during the last several days. That is, until she went into semi-seclusion be-fore the wedding date behind the moated walls of the sprawling palace grounds in the heart of Tokyo.

The bridegroom didn't escape the publicity. He moved into the new western-styled $11,500 home built for the young couple and was dog-tailed by newsmen and photographers daily from the moment he left for work at the Japan Export-Import Bank until he got back home in the evening.

The young Princess, who has kicked aside Imperial traditions and won the hearts of the teen-age set by doing it, prompted a "Suga" boom last year when her engagement to a commoner was revealed.

What they liked about the young Princess was her determin-ation to select her own husband and not be guided or influenced by the rigid rules of the Imperial court circles.

When asked by newsmen before her engagement was announced what type of man she wanted for a husband, the pert Princess snapped: "Wait till you see the man who is elected, then judge for yourself."

Since that time numerous young girls in this land that still favors arranged marriages have followed the Princess' lead. They want to select their own dates and own husbands more than ever.

Although she's officially Prin-cess Takako Suga, the younger set simply calls her by the affec-tionate nickname, "Osuta-Chan."

The Japanese people were hop-ing the youngest daughter of Em-peror Hirohito and Empress Na-gako would find her life as Mrs. Shimazu.

訪日客は年々増加

―近く歸國の江上所長語る―

△國際觀光協會のトロント事務所所長江上左武郎氏は近く歸國、東京の帝國ホテル交通公社案内所マネージャーにおさまることになっているが、江上所長の後任には帝國ホテル事務所主任の奥山碕太郎氏がきまっている。トロントに觀光事務所が開設されたのは一九五七年三月末、約二ヵ月間ローヤル・ヨーク・ホテルに假オフイスを設け、現在の場所に移ったのが同年六月。訪日觀光客は年々ふえてゆくばかりと江上所長は次のように語った。

△同事務所の査證件數によると五六年は一千件、それが五七年には千四百にふえ、五八年には千六百、さらに昨年は一躍二千二百件と激増したことをみると訪日者はますますふえる傾向にあるが、このなかには日系カナダ人の訪日數はふくまれていないので、實數はこれ以上である。

△二世の訪日者もしだいにふえてきており、とくにビジネス關係で短期日の訪日者が目立ってきているが、いずれ二世グループによる訪日見學も望まれることで觀光當局としても、大いにその實現に協力したいと思っている。

會館來賓『多くから禮狀來る

今後とも日系との接觸を願う

△ト市内有力者に日系會館の計畫を紹介する晩餐會に出席した人々の多くから丁重な禮狀がセンター委員會に寄られてきたが、いずれも『楽しい一夕をすごし、日系人諸氏と接觸して友情をわかち合い、心からお禮を申し上げる』という意味がふくまれている。

△なかには『かかる有意義なプランの一助として當會社は百弗の寄付をいたします』というのがあり、ト大學のピクセル總長はその激勵メッセージで

トロント大學は諸君の遠大なる計畫に深い關心を持っており、とくに東アジア研究部は大學付近にセンターが設立されるとのことを大いに歡迎しています。多くの日系人は當校の學生であった者があり、この新計畫には大きな望みをかけています

と述べている。またある人は萩原大使はじめ片上領事夫妻らと面接する機會が與えられたことは名誉とするところであり、はじめて日系人諸氏と交わって、こんごとも日系人とのつき合いをつづけていきたいと願っている、というのもあり、この晩餐會は出席者に多大の好印象を與えたといえる

乾いた煙草と肺ガン

◇先日アメリカの煙草というものを買った。名前はトンと知らないものだったし、忘れてしまった。しかしフィルター付きだった。ところがその味だ。ペッペ、まずくって吸わたものではない。二、三本吸って人にくれてしまった。

◇あんなものをアメリカ人はよく我慢して吸っているものだと思う。――傳え聞くところによると、米國タバコの半分はこれ――フィルター付きに早變りしたという。

◇ファン、肺ガンがこわくなったのかと獨り合點する。――この命とりの難病は、歐米には「手のつけられぬほど」多いそうだが、日本にはずっと少い。

◇なぜか、ガン研究家の佐藤徳郎博士は、わざわざヨーロッパへ出かけて、各地を實地に調べた結果、主因は乾燥したタバコを吸うか否かにあると結論した。

◇肺ガンの多い特一等國は英國だが、そこでは英國タバコのドライなことを自慢の種にしている。――それに次ぐ二等國はフィンランドだが、國民は乾いた温かい部屋が大好きで、勢い室内のタバコは數時間でカラカラになる。

◇タバコが濕っていると水分が火のついた所に溜りヤニも一緒にとめられて、その結果、反應に富んだフリー・ラヂカルが破壊されてしまう。――反對にドライだと煙が素通りして肺を襲うという説明だ。

◇して見ると、メリケン好みのフィルター付きは、所詮は金持ち國の産物。――部屋が完備してスキもる風もなく、寒いといえばソレ焚け式の設備ではタバコの濕るチャンスは皆無というもの、有難いかな「紙と木」の日本部屋。

◇ただしその「紙と木」のおかげで、日本の火災件數年に三十五万 肺ガン身代りに立って、ブスブス燃え續けている。

女だけのヒマラヤ登山

◇日本の女は美しくなった。見ちがえる程といってもいゝほど美しくなった。――セイもグンと伸びた。足も眞っ直ぐになった。男性とスレ違ってもマトモにその顔を見返す。――進んではわが脚を見よ、わがオッパイを見よとばかりに、ストリップ・ショーに乗り出して露出症を示顕する。

◇化粧もうまくなった。何式というのか、いろいろなクリームなんかを塗りこんで、口紅をつける。それにアレコレと選り好みがはげしく、二月末の調べでは口紅の色數合計七十四種。

◇女の船長さん、女の檢事さん、女の外交官なんていうのも出た。――だから下女とか、女中とかいう名も、公式には「住込み家事使用人」と變れば、通稱は「お手傳さん」となって、呼び名もお花さんとか、おきさんとか、さんづけでなければ承知しない。公休日はキチンと守らせて頂きますと、少くとも月二回位はオメカシをしてイソイソと出かけて行く。給料は月四千圓前後、それに食費やナンだカンだを合算すると月九千圓位につくという。

◇それもその筈、日本の選擧有權者總數、二月調べで五千四百万人、内男二千六百万、女二千八百万と二百万も多いんだから、女の氣勢も上ろうというもの。――近頃は田舎の政談演説會にも女の聴衆がメッキリ殖えて來た。

◇女の登山、女のスキー遊びなどというものも、當

山登りを始め出す始末で、「日本の山なんてハリアイがないわネ」と、今夏「女だけのヒマラヤ登山」に出かけるという女傑五人組が現われた。――もっとも昨年インドの奥地へ民俗學調査に單身乘り込んだというエラものがあったし、またアフリカ横断探険隊に加わって、途中の高峰キリマンジャロを征服したという女が二人もあった。

◇その他女だけの旅行、女だけの温泉行きなどというのも都會、田舎を通じてハヤリ出し、行き先きでドンチャン騒ぎに興じている。――若い者だけだろうとおッしゃるんですか、どういたしまして、交通公社の調べによると、その二割までが、四十才以上の中婆さんだとある。

米ソ及び中共がまず軍備を縮少
＝非武装會議でソ連が提唱＝

【ジュネーヴア發】十ヵ國(共産五ヵ國、西都五ヵ國)による非武装會議で、ソ連は世界的非武装の第一段階として、ソ連、米國および中共三ヵ國の軍力大削減を提唱した。それによると今後一年間内にソ連、米國および中共は現有軍力を百七十万に削減するとともに、今後四年間に、たくわえられている核兵器を完全に破棄してしまうというのである。ゾーリン・ソ連代表の軍隊削減の提案では、ソ連は大巾な軍縮となり、米國は約八十万の削減を意味することになり、中共現有軍力は二千六百万と推定されている。さらに英佛の軍力は六十五万と制限され、その他諸國の軍力は國際非武装會議で決定することにするというのが骨子である。

核ロケット打上 脅威を抹殺せよ

【ジュネーヴア發】十ヵ國非武装會議の席上、西都國代表として英代表は『核兵器を積み込んだロケットが地球のぐるりをまわる時代に備えて、今のうちにかかる脅威を抹殺すべきである』と主張した。英代表は『核兵器をつんだロケットを地球の衛星とすることは不可能でない時代が来るが、それを地球上の一定地域に引き戻すことはまだ可能でない』と述べ、人類を死にみちびく、かかる脅威はいまのうちに取り除くべきだと述べた。

避難民受入れ

【オタワ發】ディフエンベーカー首相は、避難民の受け入れ計畫を今年の六月末まで延長すると發表した。(またアイゼンハワー大統領も避難民受け入れ年に際し、東洋人をふくみ、もって大巾な移民を許すべきだと主張した)

カナダの提案 領海十二哩に
海洋法國際會議でもめる

【ジュネーヴア發】海洋國際會議は、カナダ提案の領海六マイル(現在三マイル)、漁業専管水域六マイル、計十二マイルを領海とすることでもめるものとみられているが、すでに米軍事當局では、もし領海十二マイルにすれば國防をジヤマするとして反對意向を表明している。その理由はこの水域内にソ連潜水艦が活動するほか海上艦船も見張らねばならないし、狭い海峡ではどう處置をとればよいかという問題もでてくるというのである。またピーシー州沿岸のサケ漁業に米漁船を閉め出すもくろみだとカナダ案をこつぴどく非難している米上議もいるなど、この海洋法會議は難行するにしたがって火花を散らすものとみられている。サケ漁業に關しては、カナダは米加條約をあくまで尊重する建前をとっているので、米國側は心配することはないが、十二マイル領海外の日本、ソ連および米國漁船の活動を抑制したいというのがカナダの意圖であり、果してカナダ案は三分の二以上の支持を得られるかどうかは甚だ疑問視されている。

さびれる土産店
―横濱は米兵の姿も消えて―

【横濱發】ミナト・ヨコハマには絹製品、陶磁器、カメラ、真珠など外人観光客目當のオミヤゲ専門のスーベニア・ショップが軒をならべている。それがここ数年来落ち目で、とくにシーズン・オフの冬や夏には客足はまつたくまばら。先週来イギリスの豪華船イベリア號が入港して春のシーズンが始まつたというのにパッとした趨向もなく、店先のはなやかさに反して業者の表情は暗い。―兵隊相手にピカピカの安物を店に並べさえすれば賣れた時代と違って、観光客は目が肥え趣味もなかなかコッている。さらに最大の悩みは横濱にはこれといった名物、観光地がないことで、観光客は横濱を素通りであるというそれに船で来る観光客がぐんと少なくなつたことも原因の一つ。

「親王」をオヤダマと讀む中學生もいる―

浩宮さまご誕生について朝日新聞は『皇室用語にも新しい波』と題し、その一部に次の如く報じている。

△正式にいえば『皇孫』であり、『親王』または『内親王』なのだが、どれも昔の皇室の感じが強い言葉で、現在の國民としてはもっと親しめることばがほしい。ことに『皇孫』は天皇の孫という天皇を中心にしたことばでそういう使い方もできないわけではないが、こんどの場合は『皇太子のお子さま』という意味に重點をおきたいのである。が、そういう意味をもつた『皇孫』にかわるような簡單なことばがみつからない。

△この場合に思い出されるのは、つい最近英國王室で王子誕生のとき、單に『ベビー・ボーイご誕生』と放送してプリンスといわなかつた。『イッツア・ボーイ』とだけ見出しに書いた新聞もある。いまの若い人たちは『親王』や『内親王』ということばを知らない。東京都内のある中學三年生を對象に『親王』、『内親王』の理解度を調べてみた。

△ふだん使わないことばだから無理もないが、結果は約一割がどうにか意味を知つている程度ということがわかった。親王を『王さまの親』、内親王を『天皇の妻』と答えるのが多く、親王をオヤダマと讀んだ子供もいる。生れたばかりのお子さまは、宮さまとよぶよりも『あかちゃん』という感じ……やはり『お子さま』のような一般のやさしい用語がふさわしいと考えられる。

李大統領四選

【東京時事通信】十五日行なわれた韓國大統領選擧結果によると、李承晩大統領は四選に決定した。

河上氏が立候補

【東京時事通信】社會黨の河上丈太郎氏は今朝記者會見を行ない『黨の現状は默視することを許さない状態である。委員長は私の柄ではないが、黨が要求している以上、これを辭さないつもりである』旨の聲明を發表し、次期委員長選出馬の意見を公式に表明した。

安全に無關係な 米軍行動に反對

【東京時事通信】自民黨の三木武夫氏は十五日歐州視察から歸國したが、羽田空港で次のように語つた。

『新安保條約について政府は極東の範圍に關し金門、馬祖兩島などと、極東の島を一つ一つあげたが、このことは政府の不手際で、政府は意見の統一をする必要がある。また日本の安全に結びつかない米軍の行動に對しては反對すべきである』

父親が證言
息子が麻薬使用

【晩市發】―こうするより他になかった―と沈痛な面持で、晩市のウエルダー職の父親バートン氏は十七才の息子リチャードのそばに立って警察裁判で證言した。バートン氏はテレビで青少年が麻薬を使用して廃人化する恐ろしさを知り、ちかごろ不審な行ないをする息子を疑い、彼の部屋をさがしたところ、麻薬注射器その他をみつけ、母親と相談の結果、息子は麻薬使用者ですと訴え出たもの。バートン氏は『家にはテーンエージャーの娘や息子がまだいます。こうすることが最善と考えまして……』とションボリ。息子は一年の入獄を申し渡された。

豊田貞三氏來市

横濱の古屋商店取締役豊田貞三氏は東都カナダおよび米國の商況視察のため十七日空路トロント着、古屋貿易會社の資本支配人が案内。約二週間滞在の予定。なお[illegible]中だった[illegible]も十七日晩市した。

短期の往復空路 大西洋で値下げ

【パリ發】國際空輸協會ではオフ・シーズンの大西洋横断空路旅費の値下げを發表した。ニューヨーク・ロンドン往復は普通機で三百二十弗(ジェットは三百五十弗)。期間は十月一日から三月末までだが、十七日間以内に往復しなければならない。なお、トロント―ロンドン間も同様値下げである。

シカゴの重役三夫人 乱暴されて殺さる!

【米イリノイ州オタワ發】三名の有力シカゴ實業家の夫人たちはシカゴから百マイルほどはなれた遊覧地をハイキング中に、何者かのため暴行されたあげく、洞窟のなかに半裸体の死体となつて發見された事件が今週おこつた。二人の夫人は五十才、もう一人は四十七才で會社社長、銀行副頭取、會社支配人の妻となつている社交婦人。三名がスカートにはきかえてハイキングに出たあと、大吹雪となったまま歸らぬので夫君たちが警察に通報し、やつと死体がみつかったわけであるが、三夫人はいずれも顔部を血まみれにされて叩かれており、身体にもキズをうけているところから、かなり抵抗したものとみられている。警察では一人以上の何者かが三夫人のアトを追い、まず二名の手をしばり合つたのち、一人の夫人に亂暴、ついで二人を辱しめたのち殺し、死体を洞窟にひきずり込んだものとみている。

△【東京發】競輪と競馬で財産をすつかり使いはたしたあげく一家無理心中が二件。十一名が生命をなくした。―都下の労働者前田英治氏(三四)は競輪で大金を使い家族を養えぬので、妻と四人の子供をしめ殺したのち自殺。自動車工の金子助三郎氏(四二)は競馬で大損をし、妻と三人の息子とともに農薬でガス心中した。

'Niseis Should Not Read Misguiding Articles'

To the Editor:

First, may I say that I have in the past years enjoyed reading many informative articles in your paper. I too, however, have been noticing in recent months articles in your paper on which I looked at with distaste.

Your paper I believe goes to thousands of Japanese Canadian homes across Canada with readers of all ages. Therefore, the fact is that you do have the power to sway public opinion by the articles "YOU choose to print in your paper".

Looking at it from a marital point of view, such columns as the "Moot Point" (March 9th), which depicts a highly imaginative Nisei who feels he's "sort of being snooty" simply because he's taking hakujin girls out are definitely second-class materials and should be treated as such.

Although I have had a similar background in my school days, I would rather that the younger Nisei read articles by authoritative persons in the local papers, who have better understanding and knowledge of the problems involved, than to be misguided by such short-sighted individuals.

The reading public does have a say as to what it expects when things get a little out-of-line—especially so when you are one of the only two such outlets in Canada.

Thus, it is my opinion also, dear Editor, that you MUST be discriminating in what you publish for the good of the standard of your newspaper.

—Alice, Toronto, Ontario

TOPIC:

By ED.

But Alice . . .

Thank you for your letter of March 13, 1960. In most cases, I would succumb to your opinion. Right or wrong however, you have given this writer an opportunity—in actual form—to again discuss the Nisei trait I find unbecoming and too too "Japanesy" for Canada's Nisei citizens. What I am referring to you will find outlined in the following comments.

This office has had files upon files of letters from persons who have criticized and others who have been sympathetic. The letters, however, had one thing in common, there were without name, signature, address etc., and lately, I have grown weary and have deposited them promptly into the waste basket—good or bad. (Identity, I might mention, is withheld from publication upon request). Perhaps to destroy the letters without consideration of reader's opinion is wrong, but to recall an author who once penned: "If you would be a philosopher, these are the terms: you must do thus and thus; there is no other way. If not, go and be one of the vulgar". You are, Alice, correct in every sense now to call me the dirtiest man in the world but I do not necessarily exclude you from this statement. This is not said with derogatory intentions.

In explanation, I will say there is one quality which gives much dignity to a man, and that is consistency of conduct. Perhaps his pursuits are wrong and unjustified, yet, if the person is disciplined to steadiness and vigor, we cannot withold admiration and respect. His object—a lesson or ambition—pursued steadily with honesty and dignity—ready to sacrifice every interfering passion or inclination is, in this writer's opinion, the most important mark of his character.

I do not defend nor offend "Moot Point", however, without considering the talent, a noticeable number of writers are commonly said to be unfit for the common life of people. But one must bear in mind that the authors aren't always expecting nor expected to be called to public notice and favor. Their eccentricity and speculations may be that which disqualifies them from conformity and what you or I might want to hear and believe of ourselves. At times, the author is a little severe. This I realize can and does happen as you too, have noted and indicated in your letter.

You are worried, no doubt, that they (the younger Nisei) should read and be taught what is right. The newspapers are, as you mentioned, one media from which young minds are built. To take it one further, there is an old Japanese proverb which states: "Hito no furi mite waga furi naose", translation meaning, "perhaps one man's meat is another man's poison, but there is no reason why one man's mistake cannot be another man's lesson". Its intention is quite clear but for the sake of association, the parent, teacher and elders' conduct and character mean more to building a young mind than any newspaper or magazine.

Your criticisms are accepted and respected, but, a very poor lesson is given to the younger Nisei by your voice in the matter. The letter cries for better knowledge and education for the young set, but whether you have realized it or not, it is a poor example and most unforgivable for you to denounce and fuss behind the privileges of pen and paper without revealing your identity. Call and criticize in any way or form but a lesson worth teaching to the younger Nisei by elders would be to be straightforward in conduct, thought and speech.

The trait I dislike then, is one, when standing boldly and firmly face to wind hurls the triumphs, the insults, the revenge—never to cease buffeting an adversary—its stale odor to drift through hollow streets to strike and grasp the shapes conveying it to an uncomfortable poor animal. But fear not, dear Alice, for I, being barely out of my teens, have learned an invaluable lesson from your letter.

Shigeta to be Fastest Oriental Gun in New Role

HOLLYWOOD. — For many years Hollywood has been seeking a new twist for a western movie. Maybe the one they're shooting now at Paramount is so different it should be called an eastern.

It's the first Chinese western—even though two of its top stars are Japanese. Even the title—"Walk Like a Dragon"—sounds more Hong Kong than Wyoming—locale of the movie.

James Shigeta, the "Frank Sinatra of Japan," is co-starred with Nobu McCarthy, also Japanese; Jack Lord, from Broadway, and Mel Torme, the foggy voiced singer turned actor.

After this picture Shigeta will probably be known as the Oriental John Wayne because he plays a Chinese gunslinger who quick-draws for the kill on the traditional western street.

Shigeta, star of the "Holiday in Japan" stage show at the New Frontier Hotel in Las Vegas, is taking leave from the show for the movie—his second in less than a year here.

A Hawaiian-born Nisei, Shigeta is a handsome singer who has been drawing the women to the show while their husbands watch the nude chorus girls cavort. He's committed for two more movies including a top role with Marlon Brando in "The Ugly American."

As an American reared in the islands, the onetime U.S. Marine was able to answer the first question asked all potential western stars.

That, of course is "can you ride?"

He knew how to ride but he had to be taught to mount his horse from the right—that's the Oriental custom.

His technical adviser on the picture is Chinese actor Benson Fong.

"Benson always plays Japanese in the movies so I guess he makes the ideal coach for a Japanese who is to play Chinese," Shigeta says. "I guess we Orientals must all look alike to Hollywood producers."

"I hope to become known as the fastest gun in the East," he quips.

O, TO MERRIMENT

Dancing—members are all fond
Yes, yes, cry many members non,
This evening cats, go man go,
The Toronto Young Junior Buddhist hop we know
From rooms, from homes, from apartments plush
To the Buddhist Church they all do rush,
Half a dollar the price, goodness all do hollar
But wait, non members, it'll cost you one dollar
It's reasonable we say from eight till midnight
Top rhythm, top tunes, you'll hear their might
To start your feet dancing all through the night,
This dance we announce is called "Spring Fever"
And for you all sirs, who knows, you just might see her,
To an offered dance she may reply
Oh thank you kind sir so happy I may cry,
And to the ladies the edges don't sit
It's leap year so grab him and please do insist
All nights are young and so are you
Meet couples, stag, friends old and new
Come and have fun can we count on you?

CHATHAM SLANTS

By JACK NISHIZAKI

On Sunday, March 6th, thirty-three persons, the youngest being four years old and the eldest eighty-eight, enjoyed the time of their lives with games at the local bowling alley under the sponsorship of the "Fujinkai".

Though it was expected that more would attend the outing, it was a good turnout weather permitting. Following the games at the alleys, the group congregated to a restaurant for a snack and concluded the evening's program with bingo.

For the younger folks, I'll just bet it was more an enjoyment to watch your mothers and dads having a grand time in spite of the results. But one must admit though, some scores were pretty good considering. Hats off to the ladies group for a job well done. Let's all hope for more nights like the one just experienced.

The Kent Japanese Canadian Association's annual "Keirokai" will be held at the YMCA on Saturday April 23rd from 6:30 p.m. This year, chairman Harry Kondo and his assistants are busy with preparations for another successful event. The committee in mind is looking forward to seeing a great number of the folks out to honor our elders. We do mean you!

Though there were some misunderstandings regarding the recent membership drive, it is hoped that they can be discussed and clarified to again place the JC residents in a harmonious family-like happiness here in Kent. Other than that we feel the results of the drive was good, and president Charles Okubo is more than pleased with the outcome and for the cooperation and effort of the canvassers. For Charles, the youngest president ever called to office, it is a big task to assume this position so we could all at least give every assistance wherever and whenever needed.

At the organization's last meeting (best turnout to date), heated discussions on the coming project, erecting of a KJCA building, was heard. The need has arisen since the club will no longer have the use of facilities at the YMCA in a few month's time and must look elsewhere to meet.

There is no doubt that the organization will be able to get along until it can build or purchase a place of its own. However, sooner or later we must put our foot down, and that time is now rather than wait any longer.

Financially, it is a headache as far as building at this time. But in the way of thinking of we concerned, it is utmost to proceed towards our own place, and must take steps to sell the idea to the public of the committee's decision—a decision made in the best interests of the community. Perhaps we will not realize a KJCA building in a year or two, but if we all buckle down from here on in, certainly, the public and appointed committee could come up with a solution. Bearing this in mind, we, the committee, appeal to the public for any information or opinion that may help the cause as we are more than willing to listen. Who knows, your opinion may be just what we are looknig for, so why not speak? Let's hear from all of you.

Perhaps the public is not in the right frame of mind with this miserable weather confronting us. But here again we are fortunate in comparison with others who perhaps haven't the opportunities nor the gains we have, so cheer up; spring is coming so I'm told. I certainly hope it will be very soon so we can live normally and have a better thinking "head". You'll be hearing from me at a later date. . . .
